

ASHISH GOND

B.Tech, Computer Science (AI/ML)

Lucknow, India | DOB: 03/05/2003 | gond65994@gmail.com | +91 8960760934 | linkedin.com/in/ashish-gond

PROFILE

Enthusiastic B.Tech Computer Science (AI/ML) student with strong skills in Java, Data Structures, and Database Systems. Seeking an internship opportunity to apply technical knowledge, solve real-world problems, and contribute to innovative projects in a growth-oriented organization.

SKILLS

- Programming Languages: C, Java, Python
- Core Subjects: Data Structures, Object-Oriented Programming (Java), DBMS, Cyber Security, Algorithms
- Tools & Technologies: Git, MySQL, VS Code, Eclipse

PROJECTS

Hotel Management System

Technologies: Python, Tkinter, SQLite, File Handling, ER & DFD Diagrams

- Developed a fully functional hotel management system with a graphical interface for both customers and administrators.
- Built modules for registration, login, room booking (check-in/check-out), employee monitoring, room inquiries, and billing/payment.
- Reduced manual work and improved accuracy in hotel record management, giving administrators control over rooms, employees, and billing while letting customers register, check availability, and book rooms independently.

WellCare Management System

Technologies: Python, Tkinter, SQL, File Handling

- Built a healthcare record-keeping system with user-friendly GUI interfaces for patients and administrators.
- Integrated modules for patient registration, record updates, report generation, and billing.
- Simplified healthcare data management with secure, fast access to patient information — enabling clinics to manage records digitally, generate reports, handle billing, and reduce paperwork.

EDUCATION

BN College of Engineering and Technology, Lucknow

2022 - 2026

B.Tech in Computer Science (AI/ML)

Career Convent College, Vikas Nagar, Lucknow

2021 - 2022

Class XII | Percentage: 82%

Career Convent College, Vikas Nagar, Lucknow

2020

Class X | Percentage: 70%

CERTIFICATES

- Samsung Innovation Campus Certificate (28 June 2024 - 31 August 2024)

LANGUAGES

- English — Professional Proficiency
- Hindi — Native Proficiency
